This ebook is for your personal consumption only. It may not be re-sold or given away to other people. If you want to share this book with another person, please purchase an additional copy for each recipient. Kindly stay away from the pirated versions.

I have worked on this book for many months, investing more than 500 hours in researching, writing, proofreading, and publishing. Please stay true to your integrity by purchasing only a genuine copy of this book. Thank you for respecting my hard work.

I also have a personal blog where I write on UPSC exam preparation, my experiences in the service, and other topics of general interest. You can get new updates delivered to your inbox by subscribing to the blog.
