

(SOLUTION) IASBABA TEST 10 CURRENT

1. Correct Answer: B

Explanation

Solution (b)

Statement Analysis:

Statement 1	Statement 2
Incorrect	Correct
C14 Carbon dating method is one of the archaeology's mainstream methods for dating organic objects up to 50,000 years old. It can't be used to date inorganic materials as they do not contain 'Carbon' compounds.	Carbon-14 (^{14}C), or radiocarbon, is a radioactive isotope of carbon with an atomic nucleus containing 6 protons and 8 neutrons. While the stable Carbon-12 contains 6 protons and 6 neutrons and it is not radioactive in nature.

2. Correct Answer: C

Explanation

Solution (c)

Basic Information:

Members of the Tharu tribe in the West Champaran region were appreciated by PM Modi. PM Narendra Modi in his Mann Ki Baat spoke about the Tharu Barna tribal festival, which is celebrated every year during the month of Shrawan. The festival shows their love for nature and their commitment to forest conservation. Barna tribal festival · During the festival period, no one is allowed to leave their home and foreigners are not allowed to enter the villages. They stay indoors so that the plants are not trampled, which mainly grows during the month of Shrawan. Traditional dances and other rituals are also performed to mark the end of the festival. · The members of this tribe depend mainly on natural resources for their livelihood. Cattle are not used in any work as long as people are inside for 60 hours. Those who violate tradition are penalized by the elderly in the community.

3. Correct Answer: A

Explanation

Solution (a)

Basic Information:

- Prime Minister in his latest Mann Ki Baat programme noted that in the National Education Policy, a lot of attention has been given on the impact of toys on different aspects of children's lives. He said saying it is the time to **get vocal for local toys**.
- He said there are several skilled artisans who possess expertise in making good toys and some parts of the country like **Channapatna** in Ramnagaram in Karnataka, **Kondapalli** in Krishna in Andhra Pradesh, **Thanjavur** in Tami Nadu, **Dhubri** in Assam, **Varanasi** in Uttar Pradesh are also developing as **Toy clusters**.
- He added that while Global Toy Industry is worth more than 7 lakh crore rupees, India currently has a very little share in it.

4. Correct Answer: C

Explanation

Solution (c)

Statement Analysis:

Statement 1	Statement 2	Statement 3
Correct	Incorrect	Correct
The initiative aims to reduce the dependency on a single nation (at present China). SCRI is a direct response to individual companies and economies concerned about Chinese political behaviour and the disruption that could lead to the supply chain.	India-Japan-Australia have decided to launch an initiative to build a resilient supply chain in the Indo-Pacific region with an eye on creating a free and transparent trade & investment environment. USA is still not a part of this initiative.	This initiative was first proposed by Japan with India and Australia as partners, potentially sees other Asian and Pacific Rim nations joining in later stages.
