

Solution: c)

The Cabinet recently approved the fair and remunerative price (FRP) of sugarcane.

The FRP, which is provided for by the **Sugarcane (Control) Order, 1966** is the minimum price that **sugarcane farmers are legally guaranteed to get from sugar mills**.

Sugarcane producing states such as Uttar Pradesh, Punjab and Haryana fix their own sugarcane price called '**state advisory prices**' (SAPs), which are usually higher than the Centre's FRP.
