

- The heritage list has been **designed** to **preserve** and recognize the **buildings, monuments** and other sites, and this **decision** to **remove Liverpool** will puncture a hole in the prestige of the city.
- Previously, **only two sites have lost their heritage status: The Arabian Oryx Sanctuary** in **Oman** in the year **2007**, and the **Dresden Elbe Valley** in **Germany** in the year **2009**. Sites are removed if they do **not preserve** and maintain the sites properly.

PORT OF NINGBO-ZHOUSHAN

- **China** has partially **shut down the world's third-busiest container port**, the Ningbo Port, after a worker there tested positive for Covid-19.
- This port is the **busiest** in the **world** in terms of **cargotonnage**.
- The port is located in Ningbo and Zhoushan, on the **coast** of the **East China Sea**, in Zhejiang province on the **southeast end of Hangzhou Bay**, across which it faces the municipality of Shanghai.
- The port is at the **crossroads** of the **north-south inland** and coastal shipping route, including canals to the important inland waterway to interior China, the **Yangtze River**, to the north.
