

# UPSC

- 3) Come out of Geography syndrome wrt Pakistan and other S.A. neighbours :-  
According to C. Raja Mohan "Geographies do evolve and change with time" take example of relations of France & Germany from 20<sup>th</sup> 21<sup>st</sup> Cent.
- 4) Focus on making its defence sector indigenious → India being the mostly arm importing country
- 5) Respecting the concerns of neighbouring countries ex. Nepal accused India, of ignoring discussion on matter of Lipikadwa parts.
- 6) Enhance diplomacy capability  
India needs to strengthen & build its F.R. according to realities of 21<sup>st</sup> century.
