

Ren. & I.R. started giving promotion to the new order which has a clash with old order. This clash b/w new & old led to series of revolutions.

1783 → American Revolution

1789 → French

1970 → Russian

1949 → Chinese

1756 → Industrial Revolution {Mother of all}

The promotion to new order led to important development in world history in which the most imp. development in 2nd half of 19th century was birth of new industrialised nations like Germany Italy Japan etc.
